

Role Walkthrough Guide: Employee / Field Auditor

Operating Manual & Standard Operating Procedures

NOTE: ****Role Designation:**** `employee` (Field Auditor / Audit Associate / Assistant) ****Primary Purpose:**** Field audit execution, accurate daily hours allocation, equipment requisition & return, and personal leave management. ****Supported Entities:**** Kumar Aggarwal Gaurav and Co. & KGAC Pvt Ltd.

1. Role Scope & Key Responsibilities

As an **Employee / Field Auditor**, your primary daily responsibility is ensuring timely, accurate reporting of your work hours on client audits, managing company-issued field equipment (scanners, tablets, laptops), and tracking your upcoming field audit assignments.

Summary of Responsibilities

- Daily Allocation Logging:** Log your exact working hours (minimum 8h on working days) mapped to the correct client audit project code.
- Upcoming Audits Readiness:** Review your assigned audit dates and store locations on your dashboard.
- Internal Asset Lifecycle:** Request field equipment in advance, maintain proper custody, and immediately mark equipment as returned upon physical handback to your manager.
- Attendance & Leave Requests:** Submit PTO, sick leave, or comp-off requests through the platform prior to absence.
- Profile & Security:** Keep your contact details, assigned entity (Kumar Aggarwal Gaurav and Co./KGAC Pvt Ltd.), and credentials up to date.

2. System Access & Navigation Overview

Upon logging in, employees have access to the following core platform modules:

NAVIGATION ITEM	ROUTE	KEY PURPOSE
Calendar	/calendar	Weekly timesheet grid to log hours against projects.
Dashboard	/dashboard	View upcoming audit schedule and overdue asset return alerts.
Internal Assets	/assets	Request borrowable equipment and manage held equipment.
My Profile	/profile	Manage contact details, view assigned entity, and reset password.

3. Step-by-Step Daily Workflows

3.1 Logging In, Registration & Account Approval

The platform provides flexible authentication methods depending on how your credentials were issued:

Option A: Sign In with Google (OAuth SSO)

1. On the landing page, click "Sign in with Google".
2. Authenticate using your authorized company Google account (e.g., `rahu1.sharma@kgac.in`).
3. If your account is newly registered, you will be redirected to the **Account Pending Approval** screen awaiting administrative approval.

SS01A: Initial Login Screen with Google SSO

Option B: Sign In with Username & Password

1. Click "Username & Password" on the landing page.
2. Enter your assigned **Username** (e.g., `rahu1.sharma`).

NOTE: Do not append `@kgac-users.com`. Just enter your base username.

3. Enter your **Password** and click **Sign In**.

The image shows a sign-in form for 'KGAC Audit Allocation'. At the top is the logo with the letters K, G, A, C in a grid and the tagline 'TRUST BUT VERIFY'. Below the logo is the title 'KGAC Audit Allocation' and the subtitle 'Sign in to your account'. The form has two input fields: 'Username' with the value 'johndoe123' and 'Password' with masked characters. A black 'Sign In' button is below the password field. A link 'Don't have an account? Sign up' is centered below the button. A horizontal line with 'OR' in the middle separates this from the bottom section, which contains a link 'Back to Google Sign In'.

SS01B: Username and Password Sign In Form

Option C: Self-Registration (Create User / Sign Up)

If you are a new field auditor joining the organization:

1. On the Username & Password screen, click **"Don't have an account? Sign up"**.
2. Enter your **Full Name**, desired **Username**, and a secure **Password** (min. 6 characters).
3. Click **"Create Account"**.
4. The system switches back to the sign-in form. Log in with your new credentials.

The image shows a 'Create User / Sign Up' form for 'KGAC Audit Allocation'. It features the same logo and title as the sign-in form, but with the subtitle 'Create a new account'. There are three input fields: 'Full Name' with the value 'John Doe', 'Username' with the value 'johndoe123', and 'Password' with masked characters. A black 'Create Account' button is below the password field. A link 'Already have an account? Sign in' is centered below the button. A horizontal line with 'OR' in the middle separates this from the bottom section, which contains a link 'Back to Google Sign In'.

SS01C: Create User / Sign Up Form

Account Pending Approval State

Newly registered accounts are held in pending status until verified by an Administrator:

- The screen displays a yellow clock icon and the notice: "Your account is awaiting admin approval. You'll receive access once approved."
- An Administrator will review your account in `/admin/users` , assign your `employee` role, department, entity (**Kumar Aggarwal Gaurav and Co.** or **KGAC Pvt Ltd.**), and zone.
- Once approved, simply refresh your browser or log in again to enter your dashboard.

SS01D: Account Pending Approval Screen

Entity Selection (Kumar Aggarwal Gaurav and Co. vs KGAC Pvt Ltd.)

Upon your first approved login, if prompted:

1. Select your contractual employment entity: **Kumar Aggarwal Gaurav and Co.** or **KGAC Pvt Ltd.**
2. Click **Confirm Selection**.

SS02: Entity Selection Dialog

3.2 Checking Your Personal Dashboard

Your Dashboard is your daily flight deck. It provides:

- 1. **Upcoming Audits Card:** Displays client audits you have been scheduled for by the Planner, including store location, dates, and team lead.
- 2. **Asset Warning Banners:**
 - **Overdue Return Warning (Amber/Red):** Displays when the scheduled return date for borrowed equipment has passed.
 - **Awaiting Confirmation Banner (Blue):** Displays after you click "Mark as Returned", notifying you that the physical return is pending your manager's confirmation.

3.3 Logging Daily Hours on the Calendar

Field auditors must record hours worked daily to ensure compliance with client billable hours and internal payroll.

1. Navigate to **Calendar** (`/calendar`).
2. Your personal row is displayed for the current week (Monday through Sunday).
3. Click on the cell corresponding to the target date.
4. In the **Edit Allocation** popover:
 - **Project:** Select the client project code for the audit (e.g., `PROJECT-ALPHA` , `STORE-AUDIT-RETAIL`).
 - **Hours:** Enter hours worked (typically `8.0` for a standard workday).
 - **Status:** Select `billable` (client work) or `internal` (office/training).
 - **Notes (Optional):** Enter store ID, inventory section audited, or travel notes.
5. Click **Save** or press **Enter**.
6. The cell turns **Green** for billable work or **Purple** for internal work.

SS08: Log Hours Popover Modal

WARNING: Unfilled working days display a bright red ****IDLE**** indicator. HR and your manager review idle days weekly for payroll validation. Always ensure all weekdays are allocated.

3.4 Submitting Leave & PTO Requests

If you need time off for sick leave, planned vacation, or personal reasons:

1. Open the **Calendar** and click the target date cell.
2. In the status dropdown, choose either **pto** (Planned Leave) or **sick** (Sick Leave).
3. The hours field automatically sets to 8.0 hours and locks the project field.
4. Add any relevant notes (e.g., "Doctor appointment" or "Family function").
5. Click **Save**.

6. The request automatically routes to your Department Manager for approval. Once approved, the cell turns **Gray** (**PTO**) or **Orange** (**SICK**).

SS09: Leave Request Modal

3.5 Internal Equipment: Borrowing & Returning Field Gear

Field audits require equipment such as barcode scanners, handheld terminals, or laptops.

Step 1: Requesting Equipment

1. Navigate to **Internal Assets** (`/assets`).
2. In the **Available Equipment** catalog, browse by category (e.g., *Barcode Scanner, Tablet*).
3. Click **Request / Borrow**.
4. Select your **Borrow Date** and **Expected Return Date**.
5. State the intended audit/store purpose.
6. Click **Submit Request**. Your manager will be alerted to approve the dispatch.

SS11: Borrow Asset Modal

Step 2: Managing Held Assets & Marking Return

1. Once the asset is handed to you and approved, it appears in your **My Held Assets** tab (</assets>).
2. When your audit is finished and you physically return the gear to the office manager:
 - Go to **Internal Assets** -> **My Held Assets**.
 - Locate the equipment card.
 - Click the blue **"Mark as Returned"** button.
 - Confirm the prompt.
3. Your dashboard banner will immediately update to **"Awaiting Return Confirmation from Manager"**.
4. Once your manager verifies the physical condition and clicks confirm, the item is removed from your custody.

SS10: My Held Assets Tab

3.6 Profile & Password Management

1. Click **My Profile** in the bottom left sidebar navigation.
2. View your assigned username, registered email, and assigned entity badge (**Kumar Aggarwal Gaurav and Co. or KGAC Pvt Ltd.**).
3. To update your password:
 - Enter your current password.
 - Enter your new secure password (minimum 8 characters).
 - Click **Update Password**.
4. To sign out at the end of your shift, click the red **Sign Out** button in the sidebar.

4. Auditor Best Practices & Compliance Checklist

- [] **End of Day Rule:** Log your calendar hours at the end of each audit shift or no later than 10:00 AM the following morning.
- [] **Zero Overdue Tolerance:** If an audit extends beyond your initial equipment return date, notify your manager to extend the reservation before it becomes overdue.
- [] **Store Mismatch:** If your on-site hours differ from the planner's scheduled allocation, add an explanatory note in the calendar cell.
- [] **Logout on Shared Terminals:** Always sign out when logging hours from shared client backroom computers.
